

AGENDA

Meeting Date: Tuesday May, 3, 2022

Meeting Location: Rutgers-RWJMS Hosted Zoom Meeting

8:00 – 9:00 a

Board of Directors Meeting
Closed meeting

9:00-9:30 a

Concurrent Committee Meetings
Everyone is encouraged to participate in a committee.

- Education
- Legislative
- Clinical Practice

9:40-11:30 a

Kean and Rutgers 2nd Year Student Thesis Presentations

Preconception and Prenatal Genetic Counselors' Opinions on Preimplantation Genetic Testing for Polygenic Diseases (PGT-P): Do We Support It?

Maya Briskin, BA
Graduate Student, Kean University Genetic Counseling Graduate Program

Patient's Perceptions And Motivation Related To Preimplantation Genetic Testing For Polygenic Conditions

Kelsey Reynolds, BS
Graduate Student, Rutgers – Genetic Counseling Master's Program

Advancing Health Equity: Identifying the Factors that Impede and Facilitate the Practical Application of HBOC Screening within Underserved Communities

Alexandra Bowen, BS
Graduate Student, Rutgers – Genetic Counseling Master's Program

A point mutation in Celsr3 linked to Tourette Syndrome impacts dendrite patterning of pyramidal neurons in the mouse somatosensory cortex

Julianne McGinnis, BA
Graduate Student, Rutgers – Genetic Counseling Master's Program

Student-led Outreach Initiative to Minority High School Students Highlights the Need to Rethink Future Outreach Efforts

Esther Choi, BS
Graduate Student, Kean University Genetic Counseling Graduate Program

Rate of manifesting carriers and other unexpected findings on expanded carrier screening

Sydney Clevenger, BS
Graduate Student, Rutgers – Genetic Counseling Master's Program

Preparation, Terminology, & Training: Genetic Counselors Reflect on Their Approach to Sessions with Intersex Patients

Jamie Cormier, BA
Graduate Student, Kean University Genetic Counseling Graduate Program

Patient uptake rates for non-invasive prenatal screening for single-gene disorders (NIPS-SGD) associated with advanced paternal age

Kylie Katz, BS
Graduate Student, Rutgers – Genetic Counseling Master's Program

Evaluating the Utility of a New Pathogenicity Predictor for Pediatric Cardiomyopathy

Sarah Trackman, BA
Graduate Student, Rutgers – Genetic Counseling Master's Program

Investigating the Impostor Phenomenon among Genetic Counseling Students

Monica Dillon, BA
Graduate Student, Kean University Genetic Counseling Graduate Program

11:30 a - 11:45a

Break

11:45a - 12:45p

Exploring Patient Interest and Uptake of Polygenic Risk Scores to Refine BRCA-Associated Breast Cancer Risks

Rosalba Sacca, MS, PhD, LCGC and Jada Hamilton, PhD, MPH
Memorial Sloan Kettering Cancer Center

12:45p - 1:30p

General Membership Meeting

- President's Report
- Secretary's Report
- Treasurer's Report
- Introduction of Members and Member Announcements
- Committee Reports
- Membership - open forum

1:30p – 3:00 p

New Topics in Pediatric Cancer Predisposition

Elise Fiala, MS, CGC
Memorial Sloan Kettering Cancer Center

3:00p-4:00p

Ethical Considerations for Direct-to-Consumer Testing in the Cancer Genetics Clinic

Dina Green, MA, MS, LCGC
Memorial Sloan Kettering Cancer Center

4:00-5:00p

Kean and Rutgers 2nd Year Student Thesis Presentations

Outcomes of pregnancies that screened positive for sex chromosome aneuploidy ascertained via cell-free DNA screening

Cali FitzGerald, BS
Graduate Student, Rutgers – Genetic Counseling Master's Program

How Updates to the NCCN Guidelines Expanding Germline Testing Eligibility Has Influenced Genetic Counseling Practices

Molly Fitzpatrick, BS
Graduate Student, Rutgers – Genetic Counseling Master's Program

Current and Future Use of Point-of-Care Genetic Testing in Oncology

Jessica Dowling, BS
Graduate Student, Kean University Genetic Counseling Graduate Program

THE
HUMAN GENETIC
ASSOCIATION OF
NEW JERSEY, INC

JILL FISCHER, MS, CGC, PRESIDENT
CHRISTINA BOTTI, PRESIDENT-ELECT
SARAH NASHED, MS, CGC, TREASURER
LAUREN GIANNETTI SFERRAZZA, MS, CGC, SECRETARY
LAURA LIMONE, MS, CGC, MEMBER-AT-LARGE
FRANCESCA SPINOSI, MS, CGC, MEMBER-AT-LARGE

WWW.HGANJ.ORG

The Impact on Clinical Rotations across Genetic Counseling Training Programs
Carly Scarborough, BS
Graduate Student, Rutgers – Genetic Counseling Master's Program

Patient Perspectives and Reactions to Unanticipated Positive Test Results via Population Genomic Screening Efforts: A Qualitative Study
Eva Vailoinis, BS
Graduate Student, Rutgers – Genetic Counseling Master's Program

Laboratory Genetic Counselors Feel Exposure is Lacking in Graduate Training Programs
Rebecca Kelly, BS, MB
Graduate Student, Kean University Genetic Counseling Graduate Program

5:00 p

Adjournment
